12V & 24V Push-button Switches & Buzzers with LED Ring

Push-button Switches & Buzzers are built to last with their stainless steel components and silver alloy contacts. The through panel mount switches are ideal for lighting, switch, or dash panels, with colored rings that can be wired to either display power to the system or switch back lighting. The product line includes both switches and warning buzzers with LED light rings.

buzzer

Features & Benefits:

- Maximum switch current rating 5 amps
- IP67 environmental protection switches *(see inside back cover)*
- IP50 environmental protection buzzers *(see inside back cover)*
- 80 decibel buzzer sound intensity
- Warning buzzers flash red on alarm

12V
